

# World is a Heritage-dense Place

## --World Heritage Sites by Country

Up to the year of 2014, there have been more than 1,000 heritage sites recorded. They locate in more than 100 countries or states all over the world. There are three major types of heritage sites, natural, cultural and mixed sites. Among the 100 plus countries and states, Italy, China, Spain, Germany, France have the most sites. On average, each country in the world has around 5 sites, therefore, our globe is rich with heritage sites.
